Re: *United States v. Joshua Adam Schulte*, S1 17 Cr. 548 (PAC)

Dear Judge Crotty:

The Government writes to update the Court with respect to two issues raised by defense counsel at the August 8, 2018 conference. Specifically, defense counsel requested (i) that the defendant be allowed to use the email services offered by the Metropolitan Correctional Center (the "MCC") to contact his attorneys and other members of his defense team and (ii) that the defendant be granted additional time to review discovery at the MCC. The Government has consulted with the MCC, which anticipates that it can accommodate both requests and is working to arrange the defendant's access to email and his discovery.

Respectfully submitted,

GEOFFREY S. BERMAN
United States Attorney
